JT One for Business

Product Description (Guernsey Copper)

With JT One for Business, you know exactly what you're paying for and with generous call, text and data allowances you won't get any surprises in your monthly bill. With one cost and one low monthly bill it's one less thing for you to worry about. We can't do your job for you, but we can make running your business a little easier.

MOBILE

Whether you're a sole trader or a growing business, we have the mobile package to suit your needs. The package includes UNLIMITED minutes to all Channel Island & UK landlines and mobiles, plus UNLIMITED texts worldwide.

BROADBAND

Our Business Broadband gives you UNLIMITED usage ensuring great quality of service. You'll benefit from 20Mb download speeds to help you download documents and content in a flash. Plus, an included Fixed IP can accommodate your business email or webserver.

LANDLINE

We understand how important a landline service is when you're running a small business and JT One for Business includes UNLIMITED minutes to all CI & UK landlines and mobiles, including monthly Coreline rental.

ROAMING

Our NEW and improved JT One for Business plan includes data roaming in the UK, Europe and USA.*
